PB-500 Pocket Balance

Features

The Salter Brecknell PB-500 offers a convenient, compact and portable weighing capability.

This elegant looking product offers unparalleled weighing performance, with the advantage of low cost and affordability.

Standard features include grams, ounces, penny-weights and troy ounce weighing modes, parts counting and auto power off to enhance battery life.

Offered in a stylish and tough ABS case with a useful top plate cover that protects the weighing platform from accidental damage, while doubling as a draft shield for more accurate weighing.

Batteries and a multilingual user instruction manual are included.
